

# HUUSIER PALUUA “Blurb” for Church Communications

## LONG VERSION

### *Huusier Paluuz: A UU Revival!*

Here it is ... an opportunity to share our “big tent” philosophy with a broader community ... a chance to gather with UUs in Central Indiana ... a chance to hear nationally-known speaker Rev. Meg Barnhouse ... a spirited celebration for all ages. What is it? It’s the **Huusier Paluuz** on September 18, on the grounds of the Unitarian Universalist Church of Indianapolis (615 W. 43<sup>rd</sup> St.), 2-10 p.m.

The Huusier Paluuz, which is funded by the UUA’s Fund for UUism and the Community Beacon Fund of UUI, is a groundbreaking collaboration between seven congregations: All Souls Unitarian Church (Indianapolis), First UU Congregation (Terre Haute), Heartland UU Church (Zionsville), Oaklandon Universalist Church (Indianapolis), UU Church (West Lafayette), UU Church of Indianapolis, and UU Church of Kokomo.

This outdoor, revival-style event will celebrate the unconditional love and acceptance of our faith. Enjoy hands-on intergenerational activities from 2-5 pm, such as rhythm and chant circles, community painting and art-making, and liturgical dance. Participate in a youth-led worship at 4:30 p.m. then rock out at 5 p.m. with Chicago based-band, Cobalt and the Hired Guns ([www.cobaltandthehiredguns.com](http://www.cobaltandthehiredguns.com)). Bring a picnic dinner for the 6 pm community meal.

An evening of dynamic music and worship will feature the acclaimed Rev. Meg Barnhouse, singer-songwriter, preacher, and humorist ([www.megbarnhouse.com](http://www.megbarnhouse.com)); Rev. Bill Breeden, UU Church of Bloomington; and Rev. Stephen Sinclair, UU Church of Indianapolis. Firebrand preaching will be punctuated by music from a community choir led by Pam Blevins Hinkle, special guest musicians, along with energetic congregational singing.

Come for the whole day or just a portion! Many activities are outdoors (including the meal and evening worship) so be sure to bring your water bottle. For the picnic, please be “green” (supply your own dishware), supply your own coolers (no refrigeration available), and bring an extra sandwich to welcome a guest.
